Jimmy Cusano, Vice President

He's loud. He's exciting. He's energetic. He even dresses funny, but most of all, he knows what he's doing.

And what he's doing is helping Chambers across the country boost their membership numbers and energy. Jimmy Cusano exudes confidence in the power of Chambers of Commerce, and his infectious attitude will have your members equally excited about the Chamber.

While [Lorraine](#) is the soul of [Your Chamber Connection](#), Jimmy is the wild and crazy kinetic energy of the team. His unending enthusiasm, his "I'm just a big kid" smile, and his "[style](#)" of clothing always have volunteers, members, and potential members asking for more (and sometimes more dark glasses to protect their eyes from his "electric" eclectic attire!).

But he is more than just a suit!

Jimmy has worked in Membership Development since 1989, and he believes in the value of Chamber Commerce and what a Chamber can do in a community. His sincerity and belief in Chambers help motivate and inspire others as he helps Chambers recruit and retain members.

He is the motivational facilitator of [Your Chamber Connection's Membership Events](#), but Jimmy also conducts "Reality Checks for Chamber Boards" and various workshops. He will also jazz up any Chamber Banquet and other Chamber-related functions with his unique style and charm. Most importantly, deliver a message that will make everyone leave feeling inspired and re-energized.

Keep on eye on Jimmy – you never know what he'll do next.
