Macy jokingly claims he is the "company mushroom." You know, kept in the dark and fed you-know-what. But the truth is that Macy is the creative force behind the company's newsletter and Event-related paperwork.

While [Lorraine](#), [Jimmy](#), and the rest of the Your Chamber Connection gang are traveling from one end of the country to the other, Macy is back at the office working to handle all your questions.

On rare occasions, you may find him at a [membership event](#) backing up [Jimmy](#) when [Lorraine](#) or [Marilyn](#) has another Chamber commitment.
